Oudegracht 69 - Utrecht - Netherlands

For more than 160 years the Saint Augustine Church is a prominent feature at the Oudegracht in Utrecht. Everyone can visit this church daily for silent prayer, or to light a candle in the Chapel of Our Lady.

But the Saint Augustine Church especially is the place of a vibrant community of believers with the opportunity for daily mass (in Dutch).

Together, the cathedral (St. Catherine's Church) and the Saint Augustine Church are the parish for the center of Utrecht. The cathedral is the main church of the Archdiocese Utrecht.
