

Press release: the Jubilee for volunteers with Pope Francis close to the victims and rescue workers of the earthquake in central Italy

2016-08-26-pcpne

The Celebration Planned for Saturday, September 3 at 20:00 has been Cancelled

In a time in which so many families are suffering due to the unexpected loss of loved ones, the destruction of their homes, and the precarious conditions around them, we feel ourselves profoundly near to them, to give comfort and support with the strength of faith and the consolation of Mercy. Volunteers throughout the world pass this day of the Jubilee Year alongside all of those in need of support and most immediate help.

For this reason, there will be a change to the schedule for the Jubilee for Workers of Mercy and Volunteers, taking place from **2 to 4 September**. The welcome festivities for all the volunteers planned for Saturday, 3 September at 20:00 have been cancelled. We have decided to meet with Pope Francis on Saturday morning at 11:00 and at the Mass on Sunday, 4 September at 10:30, in solidarity with one another: between all those volunteers on pilgrimage in Rome, who seek to strengthen the efforts of the volunteers working in the areas struck by the earthquake, and all those working in these destroyed places, who are spiritually close to the volunteers at Saint Peter's.

* On the afternoons of Friday, 2 September and Saturday, 3 September, a number of stands run by volunteer associations will still be open in the Gardens of Castel Sant'Angelo. There will also

be the option of the journey “In the Footsteps of the Saints and Blesseds of Mercy” (cf. the revised program attached).
